SPOTSWOOD COLLEGE

YEAR 11

**SUBJECT INFORMATION BOOK
2018**

“Developing young people of good character with the skills and knowledge to contribute to our 21st Century Global Village”

“Choose a job you enjoy then you will never have to work another day in your life” – Confucius

KEEP THIS BOOK IN A SAFE PLACE FOR FUTURE REFERENCE DURING 2018

Please note:

Courses of study offered in this option book will run in 2018 subject to student numbers, staff and resource availability. The Principal will make the final decision.

Students should be aware they may not be able to study all their selected subjects/ combination of subjects due to timetable constraints.

Our school curriculum is organised into 'Learning areas'

LEARNING AREAS:

		Page:
1.	English a. English b. ESOL	3
2.	Learning Languages a. French b. Japanese c. Spanish d. Māori	8
3.	Mathematics a. Mathematics	13
4.	Science a. Agriculture and Horticulture b. Science c. Physics d. Biology e. Chemistry	16
5.	Social Sciences a. Accounting b. Economics c. Personal Financial Management d. Geography e. Psychology f. History g. Classical Studies	20
6.	The Arts a. Art/Design/Painting/3D Studies/Sculpture/Drawing b. Photography c. Art History d. Drama e. Music	28
7.	Technology a. Hard Materials -Wood b. Hard Materials - Metal c. Soft Materials – Textiles d. Electronics e. Graphics f. Digital Technologies -Computer Studies g. Digital Technologies - Information and Media h. 3D Printing and Modelling	35
8.	Physical Education and Health a. Physical Education b. Food and Nutrition c. Hospitality	42
9.	Vocational Pathways a. Workforce Skills b. Automotive Engineering	45

11 ENGLISH FOR SPEAKERS OF OTHER LANGUAGES

ESL 101

Qualification: Level 1 ESOL Credits

Content: Year 11 ESOL will cover Reading, Writing, Speaking and Listening with emphasis on communication skills. Part of the course includes support for students to fulfil the Literacy requirements for NCEA Level 1. This course now also offers 3 Unit Standards which gives 23 credits in total in Reading and Writing.

Assessments:

Reading	Use reading strategies to comprehend text
Speaking	Use speech in familiar and unfamiliar contexts to clarify meaning, give information and express opinions
Writing	Produce informal and formal written text
Listening	Respond to and understands spoken messages

Assessments:

Number	Unit Standard	Credits	Literacy	Type
US27982 V1	Read and understand basic texts on familiar topics	8		Internal
US27996 V1	Write basic texts on very familiar topics	8		Internal
US27997 V1	Write basic texts for practical purposes	7		Internal

11 PSYCHOLOGY – SEMESTER COURSE**PSY 102****Qualification:** NCEA Level 1**Course Endorsement not available.**

Content: - Human behaviour is complex. Psychology attempts to unpack the complexity in mental processes by investigating learning, perception, memory, cognitive development, and emotion. Psychology encourages students to be open-minded and to examine information critically. By taking psychology, students gain greater confidence to challenge assumptions and an increased ability to make sense of human behaviour.

Number	Achievement Standard	Credits	Literacy /Numeracy	Type
AS 91839	Demonstrate understanding of psychological approaches.	6	Literacy	Internal
AS 91840	Demonstrate understanding of a psychological debate.	3	Literacy	Internal
AS 91841	Demonstrate understanding of the methods used in psychological research.	4	Literacy	Internal

Qualification: NCEA Level 2

Entry Requirement: In consultation with **Head of Department** : Miss R Willy

Material Fees: **\$10.00** for revision material, practice exams etc .

Further Information: **Head of Department** : Mr G Parr

13 HISTORY HIS 301

Qualification: NCEA Level 3
UE Approved Subject - History

Entry Requirement: In consultation with **Head of Department** : Miss R Willy

Material Fees: **\$10.00** for revision material, practice exams etc.

Further Information: **Head of Department** : Mr G Parr

12 CLASSICAL STUDIES CLA 201

Qualification: NCEA Level 2

Entry Requirement: NCEA Level 1 including 15 English credits

Material Fees: **\$10.00** for printing

Further Information: Teacher in Charge : Mr J Hill

13 CLASSICAL STUDIES CLA 301

Qualification: NCEA Level 3
UE Approved Subject – Classical Studies

Entry requirements: NCEA Level 2 including UE literacy

Course Fees: **\$10.00** for printing

Further Information: Teacher in Charge : Mr J Hill

12 GEOGRAPHY GEO 201

Qualification: NCEA Level 2

Entry Requirement: In consultation with the **Head of Department**

Material Fees: **\$10.00** for revision material, practice exams etc . Field trip – costs to be advised (Not compulsory)

Further Information: **Head of Department** : Mr G Parr

13 GEOGRAPHY GEO 301

Qualification: NCEA Level 3
UE Approved Subject - Geography

Entry Requirement: Studied Geography at Year 11 and Year 12 or in consultation with **Head of Department**

Material Fees: **\$10.00** for revision material, practice exams etc . Field trip – costs to be advised (Not compulsory).

Further Information: Teacher in Charge Mr G Parr

12 TOURISM TOR 201

Qualification: NCEA Level 2

Entry Requirement: None

Material Fees: **\$60.00 - \$120.00**

Further Information: **Head of Department** : Mr G Parr

13 TOURISM TOR 301

Qualification: NCEA Level 3

Entry Requirement: None

Material Fees: **\$60.00 - \$120.00** + Extra units of work will cost an extra \$35.00 each

Qualification: NCEA Level 2

Entry Requirement: Nil

Material Fees: **\$45.00.** This is a compulsory charge and covers take home materials

Further Information: **Head of Department : Mr L Upson**

11 LOOKING AT ART – SEMESTER COURSE

SL1LAA

Qualification:

NCEA Level 1

Content:

This course is for students who enjoy looking at art and talking about different styles, subject matter and techniques. Students will explore different creative views, inspirations and cultural backgrounds behind the making of a range of art works.

Assessments:

Number	Achievement Standard	Credits	Literacy	Type
AS91016	Demonstrate Understanding of the subject matter of art works	4	Yes	Internal
AS90917	Demonstrate understanding of links between context and art works	4	Yes	Internal
AS91018	Demonstrate knowledge of media and methods used to produce art works	4	Yes	Internal
AS91020	Explain why selected objects may be considered as art	4	Yes	Internal
Total Credits Available		16		
Vocational Pathway profile of course		Pathway credits		
Construction and Infrastructure		0		
Manufacturing and Technology		0		
Primary Industries		0		
Service Industries		0		
Social and Community Services		0		
Creative Industries		16		

* A field of practice could be sculpture, design, photography, painting, printmaking

Entry Requirement:

Nil

Material Fees:

\$25.00. This is a compulsory charge.

Further Information:

Head of Department : Mr L Upson

12 PRINTMAKING - SEMESTER COURSE SL2ART

Qualification:

NCEA Level 2

Entry Requirement:

Nil

Material Fees:

\$45.00. This is a compulsory charge and covers take home materials.

Further Information:

Head of Department : Mr L Upson

12 DRAWING – SEMESTER COURSE SL2DRW

Qualification:

NCEA Level 2

Entry Requirement:

Nil

Material Fees:

\$45.00. This is a compulsory charge and covers take home materials

Further Information:

Head of Department : Mr L Upson

12 PHOTOGRAPHY PHO 201

Qualification:

NCEA Level 2

Entry Requirement:

Achievement in Year 11 Art or by negotiation with Ms A Scott.

Material Fees:

\$45.00 for material fees **PLUS \$50.00** (approx) for colour digital printing students will purchase from the Finance Department.

Students will need access to a digital SLR camera

Further Information:

Head of Department : Mr L Upson or Teacher in Charge : Ms A Scott

13 PHOTOGRAPHY PHO 301

Qualification:

NCEA Level 3

UE Approved Subject - Photography

Entry Requirement:

Achievement in Year 12 Photography or by negotiation with Ms A Scott or Mr L Upson.

Material Fees:

\$45.00 for material fees **PLUS \$50.00** (approx) for colour digital printing students will purchase from the Finance Department.

Students will need access to a digital SLR camera

Further Information:

Teacher in Charge : Ms A Scott

11 DRAMA**DRA 101****Qualification:**

NCEA Level 1

Content:

A practical course in which students work with others to develop a range of performance techniques, drama elements and conventions whilst applying knowledge of drama forms and genres through practical and written demonstration. Written documentation, in support of evidence for achievement, is required in all standards.

Assessment

Number	Achievement Standard	Credits	Literacy	Type
AS90006	Apply drama techniques in a dramatic context	4	L	Internal
AS90997	Devise and perform a drama	5	L	Internal
AS90998	Demonstrate understanding of features of a drama/theatre form	3	L	External
AS90999	Select and use features of a drama/theatre form in a performance	4	L	Internal
AS91000	Demonstrate an understanding of a play that is significant in the development of theatre	4	L	Internal
AS90009	Perform an acting role in a scripted production	5	L	Internal
AS90011	Demonstrate understanding of the use of drama aspects within live performance	4	L	External
Students will negotiate a 18-20 credit programme with their teacher		(20)

Material Fees:

\$25.00 towards live theatre performance and materials for performance work (make up, costume, masks, props and set)

Further Information:**Teacher in Charge** : Mr J Hill**12 DRAMA****DRA 201****Qualification:**

NCEA Level 2

Entry Requirement:

14 credits from Level 1 Drama or by negotiation with the Head of Department. Students expected to do MSD201.

Material Fees:

\$25.00 towards live theatre performance and materials for performance work (make up, costume, masks, props and set)

Further Information:**Teacher in Charge** : Mr J Hill**13 DRAMA****DRA 301****Qualification:**

NCEA Level 3

UE Approved Subject - Drama**Entry Requirement:**

14 credits from Level 2 Drama or by negotiation with the Head of Department.

Material Fees:

\$25.00 towards live theatre performance and materials for performance work (make up, costume, masks, props and set)

Further Information:**Teacher in Charge** Mr J Hill**11 MUSIC****MUS 101****Qualification:**

NCEA Level 1

Content:

- developing instrument/vocal skills to perform in front of audiences
- creation of original songs and lyrics
- development of **aural** (listening) skills and **musical theory** to demonstrate the knowledge of how music is put together.
- study of music history and social and political influences on music
- understanding and using sound reinforcement technology; PA system, recording studio

Assessments:

Number	Achievement Standard	Credits	Literacy	Type
AS91090	Perform TWO pieces of music as a soloist	6		Internal
AS91091	Demonstrate ensemble skills by performing a piece of music as a member of a group	4		Internal

AS91092	Compose TWO original pieces of music	6		Internal
AS91094	Demonstrate knowledge of two contrasting music work	6	L	Internal
US26687	Sound Technology (PA or Recording)	4		Internal
AS91094	Demonstrate knowledge of conventions used in music scores	4	L	External
AS91275	Demonstrate aural understanding through written representation.	4	L	External
Total Credits Available		34

Entry Requirement: No formal requirements but students should have an interest in working with wood.
Material Fees: **\$100.00 PLUS** any additional material costs depending on project chosen.
Further Information: **Head of Department :** Mr C Lapworth

12 WOOD TECHNOLOGY TEW 201

Qualification: NCEA Level 2
NOTE: Course Endorsement NOT available

Entry Requirement: Preference will be given to students that have completed Year 11 technology courses in either wood or metal or by negotiation with Head of Department.

Material Fees: **\$120.00**
Further Information: **Head of Department :** Mr C Lapworth

13 TECHNOLOGY TEC 301

Qualification: NCEA Level 3

Entry Requirement: Students must have completed Year 11 or Year 12 technology courses in either wood or metal. Numbers for this class are limited.

Material Fees: **\$120.00 PLUS** purchase of selected parts if required (list available on request).

Further Information: **Head of Department :** Mr C Lapworth

11 DESIGN AND VISUAL COMMUNICATION (GRAPHICS)

GRA 101

Qualification: NCEA Level 1
Content: Assignments will cover the understanding of visual communication and design drawing using a range of techniques.

Assessments:

Number	Achievement Standard	Credits	Num	Type
AS91066	Design and Visual Communication 1.33 – Use rendering techniques to communicate the form of design ideas	3		Internal
AS91067	Design and Visual Communication 1.34 - Use the work of an influential designer to inform design ideas	3		Internal
AS91068	Design and Visual Communication 1.35 – Undertake development of design ideas through graphics practice	6		Internal
AS91069	Design and Visual Communication 1.36 – Promote an organised body of design work to an audience using visual communication	4		Internal
AS91340	Design and Visual Communication 2.33 – Use the characteristics of a design movement or era to inform own design ideas	3		Internal
AS91341	Design and Visual Communications 2.34 – Develop a spatial design through graphics practice	6		Internal
AS91342	Design and Visual Communications 2.35 – Develop a product design through graphics practice	6		Internal
AS91343	Design and Visual Communications 2.36 – Use visual communications techniques to compose a presentation of a design	4		Internal

11 ELECTRONICS – SEMESTER COURSE

SL1ELE

NOTE: Course Endorsement NOT available

Qualification: ETITO Certificate of Attainment. Credits toward National Certificate in Educational Achievement.
Content: Topics include; Understanding of basic atomic principles, Recognition of electronic components and their symbols, Understanding of static charge and electrostatic damage and Design and construction of electronic circuits.
All students will do the first 4 Unit Standards and then a selection of the following Achievement Standards.

Assessments:

Number	Achievement and Unit Standard	Credits	Level	Type
US5934	Prevent electrostatic damage to electronic components	1	2	Internal
US18240	Demonstrate knowledge of basic electronic components	5	2	Internal
US18242	Construct a simple printed circuit	3	2	Internal
US18243	Construct simple electronic products from applied circuit schematics	6	2	Internal
AS91044	Undertake brief development to address a need or opportunity	4	1	Internal
AS91045	Use planning tools to guide the technological development of an outcome to address a brief	4	1	Internal
AS91046	Use design ideas to produce a conceptual design for an outcome to address a brief	6	1	Internal
AS91047	Undertake development to make a prototype to address a brief	6		Internal
AS91050	Demonstrate understanding of the role of subsystems in technological systems	4	1	External
Students will negotiate a 17-24 credit programme with their teacher according to individual needs		41		
Vocational Pathway profile of course		U/S	A/S	
Construction and Infrastructure		0 (1)	24	
Manufacturing and Technology		15	24	
Primary Industries		0	24	
Service Industries		0	0	
Social and Community Services		0	0	
Creative Industries		5 (9)	24	

Entry Requirement: Preference will be given to those who have completed Year 10 Electronics or by negotiation with the Teacher in Charge
Material Fees: **\$70.00** + specialist components if necessary
Further Information: **\$25.00** for write in workbook, payment required prior to receipt of book (also useful for Year 12)
 Teacher in Charge : Mr D Froom
 ETITO Certificate of Attainment is an intermediate stage toward the National Certificate in Electronics Technology.

12 ELECTRONICS ELE 201

NOTE: Course Endorsement NOT available

Qualification: National Certificate in Electronics Technology Level 2 (plus work towards NCEA Levels 2 and 3)

Entry Requirement: ETITO Certificate of Attainment (Year 11 ELE) Unit Standards 18240, 18242, 18243
Material Fees: **\$70.00** + specialist components if necessary
Further Information: Teacher in Charge : Mr D Froom

13 ELECTRONICS ELE 301

**NOTE: Course Endorsement NOT available
 UE – NOT an Approved Subject.**

Qualification: National Certificate in Electronics Technology Level 3. Credits toward National Certificate in Educational Achievement Level 3.

Entry Requirement: National Certificate in Electronics Technology Level 2 or a proven understanding of electronic concepts.
Material Fees: **\$60.00** + specialist components if necessary
Further Information: Teacher in Charge : Mr D Froom

11 DIGITAL TECHNOLOGIES - INFORMATION & MEDIA

DTG 101

Qualification: NCEA Level 1
Content: The topics covered will concentrate on developing the skills of layout, design, text entry, research, composition, numeracy and computer functions as well as basic computer programming and the understanding of basic concepts from computer science

.Assessments:

Number	Achievement Standard	Credits	Type
AS91070	Demonstrate understanding of basic concepts of information management Literacy	3	External
AS91071	Implement basic procedures to produce a specified digital media outcome	4	Internal
AS91046	Use design ideas to produce a conceptual design for an outcome to address a brief	6	Internal
AS91073	Implement basic procedures to produce a specified digital media outcome	4	Internal
Total Credits Available		17	
Vocational Pathway profile of course		Pathway credits	
Construction and Infrastructure		6	
Manufacturing and Technology		17	
Primary Industries		17	
Service Industries		11	
Social and Community Services		4	
Creative Industries		17	

Entry Requirement: Year 10 Digital Technologies
Material Fees: \$15.00 for printing (colour)
Further Information: Head of Department : Mrs M Claassens

12 DIGITAL TECHNOLOGIES - DTG 201

Qualification: NCEA Level 2
NOTE: Course endorsement NOT available
Entry Requirement: NCEA Level 1 Digital Technologies (10 credits)
Material Fees: \$15.00 for printing (colour)
Further Information: Head of Department : Mrs M Claassens

13 DIGITAL TECHNOLOGIES - DTG 301

Qualification: NCEA Level 3
UE Approved Subject Technology
Entry Requirement: NCEA Level 2 Digital Technologies (10 credits)
Material Fees: \$15.00 for printing (colour)
Further Information: Head of Department : Mrs M Claassens

12 DIGITAL TECHNOLOGIES FOR THE WORKPLACE - SEMESTER COURSE SL2T4W

Qualification: NCEA Level 2
NOTE: Course endorsement NOT available
Entry Requirement: NIL
Material Fees: \$15.00 for printing (colour)
Further Information: Head of Department : Mrs M Claassens

13 DIGITAL TECHNOLOGIES FOR THE WORKPLACE - SEMESTER COURSE SL3T4W

Qualification: NCEA Level 3
NOTE: Course endorsement NOT available
Entry Requirement: NIL
Material Fees: \$15.00 for printing (colour)
Further Information: Head of Department : Mrs M Claassens

12 DTG – 3D PRINTING & MODELLING - SEMESTER COURSE SL23DP

Course Endorsement NOT available

Qualification NCEA Level 2 and National Certificate in Computing Level 2

Entry Requirement: Maths requirement for NCEA Level 1 or by arrangement with Mrs M Claassens.

Material Fees: \$20.00 for printing costs
Further Information: Head of Department : Mrs M Claassens

13 DTG – 3D PRINTING & MODELLING - SEMESTER COURSE SL33DP

Course Endorsement NOT available

Qualification: NCEA Level 3 and National Certificate in Computing Level 3

Entry Requirement: Maths NCEA Level 2 or by negotiation with.

Material Fees: \$20.00 for printing costs
Further Information: Head of Department : Mrs M Claassens

11 PHYSICAL EDUCATION

PED 101

Qualification: NCEA Level 1

NOTE: Course endorsement IS available - NZQA exception applies

Content: This course is designed to prepare students for Years 12 & 13 PE and beyond. The topics include participating in a variety of physical activities, inter-personal skills, performing a physical activity to a national standard, self management strategies and responsible behaviour in the outdoors. Students need to be mindful of the amount of written work required for assessment purposes

Assessments:

Number	Achievement Standard	Credits	Literacy	Type
AS90963	Demonstrate understanding of the function of the body as it relates to the performance of a physical activity	5	L	Internal
AS90964	Demonstrate quality movement in the performance of a physical activity	3		Internal
AS90966	Demonstrate interpersonal skills and use on going reflection to explain their effects on the functioning of a group or team	4	L	Internal
AS90967	Demonstrate and describe the factors/strategies that influence performance of a physical activity	3	L	Internal
AS90969	Take purposeful action to assist others to participate in physical activities	2		Internal
AS90970	Demonstrate self management strategies and describe the effects on participation in physical activity	3	L	Internal

Further Information:

Head of Department Seniors : Miss T Lawrence

12 PHYSICAL EDUCATION PED201

Qualification: NCEA Level 2

NOTE: Course Endorsement is available

Entry Requirement: 10 Level 1 NCEA credits or by application to the Head of Department of PE.

Material Fees: Due to some practical elements of the course, it may be necessary to visit specialist facilities not available at the College. There may also be costs associated if the use of outside instructors is required. In these situations there will be a user pays fee to be met by each student.

Further Information: Head of Department: Miss T Lawrence

12 FITNESS PED202

Qualification: NCEA Level 2

Entry Requirement: 10 Level 1 NCEA PE credits or by application to the Head of Department of PE.

Material Fees: Due to some practical elements of the course, it may be necessary to visit specialist facilities not available at the College. There may also be costs associated if the use of outside instructors is required. In these situations there will be a user pays fee to be met by each student.

Further Information: Head of Department: Miss T Lawrence

13 FITNESS PED302

Qualification: Unit standards towards NCEA Level 3

Content : This course is for students interested in the fitness industry and a possible career within it. It will cover beginner coaching, training programmes and how a fitness centre operates.

Entry Requirement: Nil

Material Fees: Nil

Further Information: **Head of Department:** Miss T Lawrence

13 PHYSICAL EDUCATION PED 301

Qualification: NCEA Level 3 UE Approved Subject

NOTE: Course endorsement IS available - NZQA exception applies

Content: This is an NCEA achievement standard course that builds on the knowledge gained at Years 11 & 12. The topics include: planning a training programme, appraising physical performance, performing a physical activity to a national standard, and taking actions to influence the participation of others. Students taking this course need to be mindful of the amount of written work that is required for assessment purposes.

11 FOOD AND NUTRITION

FDN 101

Qualification: NCEA Level 1
Content: This subject studies food, how it affects our health and well-being; the nutrients in the food and the functions that they perform in our bodies. As part of this course there is a large practical component so teenagers are able to make informed decisions about the food they eat and how to prepare it.

Number	Achievement Standard	Credit	Literacy	Type
AS90956	Demonstrate knowledge of an individual's nutritional needs	5	L	Internal
AS90957	Demonstrate understanding of societal influences on an individual's food choices and well being	5	L	Internal
AS90959	Demonstrate knowledge of practices and strategies to address food handling issues	5	L	Internal
AS90961	Demonstrate understanding of how packaging information influences an individual's food choices and well-being	4		External
