

Spotswood College BYOD Registration Form: 2018

Student Name (full): _____

Device: _____

Mac Address: _____

To find your device Mac address:

ios: Tap Settings. Select General. Select About. The Mac address is listed as Wi-Fi Address.

Android: On the Home screen, tap the Menu key and go to Settings. Scroll down and tap About Tablet then tap Status and then scroll down to view WiFi Mac address.

Windows: Open the command prompt. Type in `ipconfig /all` and press Enter. Find your adapter's physical address. Search "network connections" in the taskbar and select "View network connections." Right-click on your network connection and select "Status."
