## CAREERS – TE WAKA HUARAHI

### What's been happening?

#### Hello to all students and their whanau

**Term 1** has been busy the careers staff have been ensuring that our school is kept well informed about the many tertiary or other career pathway options available. Our theme this term has been one of promotion and encouraging students and teachers to access the many resources that help students and their whanau make career decisions.

All eight New Zealand University Student Liaison Officers have been booked to visit the school this year.

Waikato University, University of Auckland, Massey University and Victoria University have visited this term and if you missed these information talks, there will be another opportunity to meet with Liaison Officers at the course planning day on Thursday 23 August 2018.
